PAMPER BY THE POOL

Summer 2018

FACIALS

Our facials take into consideration the climate so the products we have chosen are packed with organic moisture boosting, active ingredients that are very specific to dry air and sunshine, your skin will love you...

Destination Organic Facial 60 minutes - 85 euros

We use warm cloths and facial massage to encourage blood flow and thus aid the cleansing properties of the organic ingredients. The gentle bamboo scrub removes the fine top layer while the balm protects the healthy skin. The wonderful

clay mask draws out the impurities and toxins of day to day life. Mixing in an award winning anti ageing serum which your skin will drink up and target the fine lines around the eye. As the mask soaks in, a foot treatment is performed. Finishing with a rose eye massage around the eye to cool, calm and relax..

MASSAGES

Our massages can be tailored to your needs so please discuss with your therapist.

Tibetan Massage 60 minutes - 75 euro

Let those tensions slip away as you lie back and relax. Gently easing out the knots in the shoulders and the tightness across your back we will have you walking on air and sleeping on clouds by the time we are finished.

Mexican Massage 60 minutes - 75 euros

The perfect antidote to sore muscles after a day of cycling up mountains. Recovery isn't just about pushing hard though it is about generating heat and stretch into the muscles to help flush out the toxins.
