

We are based in Pollenca in Mallorca over the summer and we create little spas in the villas dotted across the area, we can travel as far as Cal d'Or or Palma or if you are chartering a yacht for the day then we can come on board and set up a spa on deck... the world is your oyster. Now all you need to do is pick which treatments you would like.

BODY TREATS

70 euros for 60 minutes

TIBETAN MASSAGE

Let those tensions slip away as you lie back and relax. Gently easing out the knots in your shoulders and the tightness across your back we will have you walking on air and sleeping on clouds by the time we are finished.

MEXICAN MASSAGE

The perfect antidote to sore muscles after a day of cycling up and down mountain roads. This massage is specifically designed to target the muscles. Recovery isn't just about pushing hard though, it is about generating heat and stretch into the muscles to help flush out the toxins. So let us help you keep your muscles fresh.

BALI BODY BOOSTER.

This treatment will make your body glow... Rid the winter blues, using a brush followed by an amazing scrub and then finishing with a nourishing massage you will be shiny and new again. Let your tan be even and last for days....!

FACE TREAT

80 euros for 60 minutes

DESTINATION ORGANIC FACIAL

We use warm cloths and facial massage to encourage blood flow and thus aid the cleansing properties of the organic ingredients. The gentle bamboo scrub removes the fine top layer while the balm protects the healthy skin. The wonderful clay mask draws out the impurities and toxins of day to day life. Mixing in an award winning anti ageing serum which your skin will drink up and target the fine lines around the eye. As the mask soaks in, a foot treatment is performed. Finishing with a rose eye massage around the eye to cool, calm and relax. Decadent.

NAIL TREATS

PALMA PEDICURE - 85 EUROS FOR 75 MINUTES

Our pedicure is enriching and hydrating leaving your feet looking truly pampered and pretty for the pool and jacuzzi. While your feet enjoy a wonderful soak with some Himalayan salt your shoulders will appreciate a little rub. We then tweak and shape your nails. Changing position, while lying on your front your feet are scrubbed, and a salt exfoliant polishing all your skin brightening and shiny and new. Finished by applying your varnish of choice.

MILANO MANICURE - 55 EUROS FOR 45 MINUTES

Starting with the luxury organic pink boutique Himalayan salt for a soak to allow us to tidy up the nail and cuticles, followed by a gentle exfoliate, massaging the hands before drying the nail and painting with a colour of your choice. It truly is a luxury throughout the treatment finishing with a lovely balm for your hands to ensure that your hands look immaculate, not just your nails.
